

GOVERNOR THIRU. BANWARILAL PUROHIT'S
TEACHERS' DAY MESSAGE

Every year, the birth anniversary of noted philosopher, educationist and former President Dr.Sarvepalli Radhakrishnan is celebrated as Teachers' Day across the country. On this special day, I extend my best wishes and greetings to the teachers of the state and wish them success in all their noble endeavours.

It is the training imparted by the teacher that determines the future of every child studying in the class. Every gesture, every action and every thought of the teacher silently hones the personality of the child! That is why Gandhiji often used to say, "The true text book for the pupil is the teacher".

Let us on this occasion of Teachers Day recognize the efforts of the teaching community and back them up with all the facilities required so as to enable them to devote themselves to their profession with greater vigour. That will show our gratitude to our teachers who have contributed to a great extent to the success we have achieved in our lives.
