Governor's Condolence Message

The untimely death of Master Sujith Wilson fills my heart with great grief. He was trapped in a bore well deep down under the ground and heroic efforts were made by several departments of the State and Central Governments worked in unison to bring him back alive. The whole of Tamil Nadu prayed for the recovery of Master Sujith safe and unscathed. But it was not to be.

I express my heartfelt and deep condolences to the grieving parents of Master Sujith and pray to God to give them the strength to bear the loss.

Banwarilal Purohit,

Hon'ble Governor of Tamil Nadu
