**HON'BLE GOVERNOR'S MESSAGE ON INTERNATIONAL DAY OF
PERSONS WITH DISABILITY**

On International Day of Persons with disability, I extend my warmest greetings to all my Divyang brothers and sisters specially to those who with their courage and determinations overcame their limitations, excelled in various fields of life and made remarkable contributions to the society and the nation. The resilience and fortitude with which you face challenges is a true inspiration for others.

I appeal to everyone to be sensitive to the needs and aspirations of our Divyang brothers and sisters and support measures to create opportunities for them.
