

**RAJ BHAVAN TAMIL NADU TODAY (18.12.2022), CONDUCTED  
GOVERNOR'S 'THINK TO DARE' – A MOTIVATIONAL CONVERSATION  
WITH ASPIRANTS PREPARING FOR THE CIVIL SERVICE  
EXAMINATIONS AT CHENNAI**

Raj Bhavan, Tamil Nadu conducted Governor's 'Think to Dare' - A motivational conversation with aspirants preparing for the civil service examinations, at Chennai, today (18.12.2022), in which the Hon'ble Governor of Tamil Nadu, Thiru. R.N.Ravi, shared his views and thoughts and interacted with the participants and faculty members.

Hon'ble Governor advised the civil service aspirants from multiple fields, to focus on their mission with hard work and commitment in preparedness and dedication and resolve like 'Tapasya' to crack the shell of success.

The Governor, to a question of an aspirant, in sharing his school days and hardships he faced in preparations, he emphasised the importance of reading newspapers and books which are less distracted than any other modern technologies available now. They should develop writing skills concisely on the subjects they learn. The aspirants should keep in their mind about time consciousness and care of their physical and mental health. He added that aspirants should try to get into civil service at their younger age as possible to do best in profession to attain more heights.

During interaction, the Governor elaborated on various subjects of National Education Policy-2020, anti-terrorism, significance of enhancing women empowerment, enrolment of Agniveers in defence, strategies of decision making skills, Thirukkural's role in intellectual wisdom, need of critical thinking,

India's commitment to find solutions for global warming, pandemic, world crisis of climate change and mass destruction. He added that the aspirants should set aside criticism around and should not take setbacks and failures in to their hearts in their efforts towards win.

The Governor highlighted that under dynamic and vibrant leadership of Hon'ble Prime Minister, India's taking over G-20 Presidency is planned to be celebrated with mass events across the country unlike the mega events India hosted earlier such as Common Wealth Games and so on. G-20 Presidency is a great opportunity to India to ensure developed global economy and to provide strong leadership with commitment to fulfil the global promises in future. India's approach with age old tradition and culture of Vasuthaiva Kutumbakkam, that is world is one earth, one family and one future has motivated the world to expect more on India than ever before.

The Governor urged the aspirants to commit themselves with devotion in appearing for civil service examinations to succeed. Their success will transform them and the society as well for benefit of future generations towards country's comprehensive development and self-reliant Nation. The participants attended the Interactive Session enthusiastically and shared their experiences with the audience.

In this function, Thiru.S.Prasanna Ramaswamy, Deputy Secretary to Governor (Universities), Thiru.Thirugnana Sambandam, Media - Advisor to Governor, faculty members, special invitees, teachers, students, officials and staff of Raj Bhavan participated.
