**PEOPLE OF TAMIL NADU ON DEEPAVALI (24.10.2022)**

I am very delighted to convey my heartiest greetings and best wishes to people particularly to my brothers and sisters of Tamil Nadu on the joyous festival of Deepavali.

The 'Festival of Lights' marks the victory of good over evil. The festival inspires us to illuminate our hearts with wisdom, compassion and optimism. Let's celebrate the festival together as one family and share the happiness with our loved ones.

May the Goddess Laxmi Devi bless us with peace, good health and prosperity.

**Wish you All a Happy, Healthy, Safe and Green  
Deepavali !**
